

This makes a great craft project for kids and when completed is a good tool for sharing the gospel.
Start by printing the Yo! Good News tract art in color, TWO SIDED on 20 lb. white non-gloss paper.
The art and text can also be seen animated on the web at YoPlace.com.

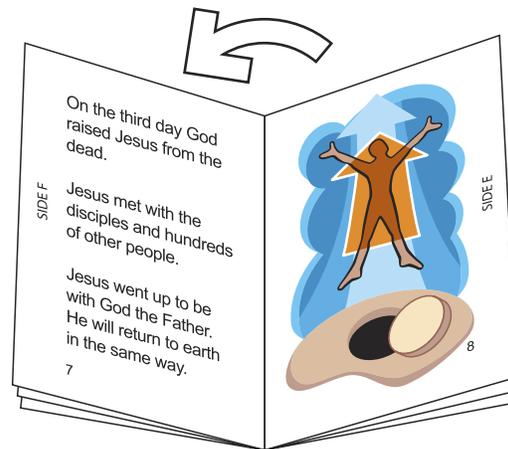

1. FOLD SIDE A TO B & CREASE FIRMLY

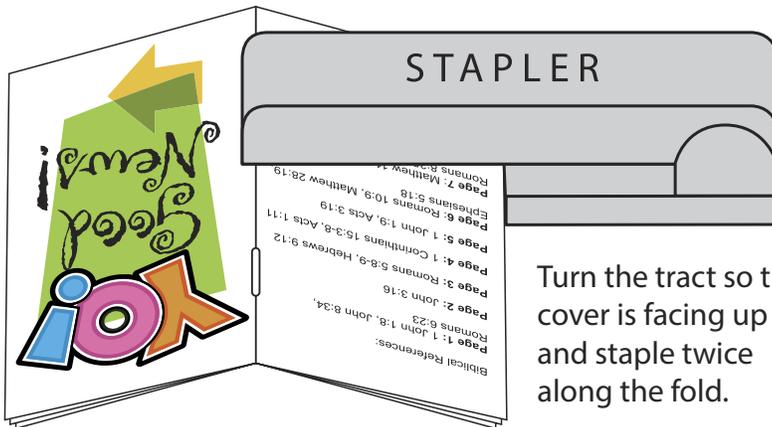

2. FOLD SIDE C TO D & CREASE FIRMLY

3. FOLD SIDE E TO F & CREASE FIRMLY

4. OPEN THE PAGES - Pages 7 & 8 should be on the bottom.

Turn the tract so the cover is facing up and staple twice along the fold.
